

Key Stage 4 Pressure Points 2018-2019

Key Stage 4 student voice informs us of potential pressure points throughout Year 10 and 11. Knowing the ebb and flow of the year helps to ensure you organise yourself to manage these busy periods. Recognising that you are entering an increased pressure point which you know will only last for a short period of time before subsiding is also an important strategy in coping with challenge. Tipton School staff are aware of these periods of intensity and are there to offer encouragement, guidance and support. Further support is also available on the school website.
